Speaking part w/Ambience

Bm *Bm*
Like Liquid Love..Flow....Flow in the ink wells of my soul
A
You dip Your featherlight quill to pen Your love song,
A *G*
Your Love Signature, the Covenant of Love's Promise
G *Bm*
Upon the tablets of my heart & You STAY.... You stay always.
Bm
The chambers of my heart
A
echoes within the Love Shadow of Your Wings.

The Heartbeat of Heaven is singing through me.
G
Your Love song stays with me...always.

Like a Master Musician, You've tuned my heartstrings

to the Key of Your Lovesong and it will always be,
Em *Bm*
it will always STAY in Love's Tune
