

COMFORTER'S SHADOW

"My Blanket of Peace", T=50, peaceful, very slow, 4/4
 by Melissa Neutz, GodsongsHeart2heart Copyright 2018
 Godsong born October 16, 2016 @ SOA.
 Bridge/chorus/more verses on Tues, Oct 18th.

Just days before my Godsong was born, I had been to the Iron Bell
 for personal heart2heart time with my Abba.. My Godstory
 includes notes & sketches in my black journal about the beautiful
 visual / experience I had on my "Peace Blanket" as Your
 Comforter's Shadow covered me in Your Comforting Peace. Thank
 You, Abba that you gave me this visual experience. It is through
 this visual / experience that COMFORTER'S SHADOW was born.
 It was this precious Godsong gift that was such a comforting
 peace to my daddy before / after his diagnosis and for all of us as
 he shared his diagnosis with us and while he was in the hospital
 for 3 weeks and 3 days before he went to be with his AbbaShai.. I
 shared this Godsong with him and would place the special blanket
 of "Peace"=Comforter's Shadow blanket over him as he rested
 while my Godsong, Comforter's Shadow played. The Comforter's
 Shadow blanket I got for him is now my Comforter's Shadow
 Blanket. It brings my heart such comforting peace knowing that it
 symbolizes Abba's Comforting Peace like a blanket covering me. I
 invite you to experience Abba's Peace under your Comforter's
 Shadow blanket as you experience COMFORTER'S SHADOW.
 As I sing & pray over you, just melt in the flow of His healing as it
 flows through you. I pray you experience Abba's Precious
 comforting peace as you just rest beneath your Comforter's
 Shadow blanket & the Shadow of Abba's Healing Wings.
