My Heavenly Love Language I speak over you, my

child. Be still in the Presence of my Love. As I speak,

I am creating....as my healing voice echoes throughout

the chambers of your heart, my Heavenly Love

Language is like a golden thread seaming up & binding

up your wounds as it voices sweet restoration to your

soul / within you. I give you a new name. I give you a

new song as Heaven's healing love notes are singing

over you as I create in the Presence of my Life, my

Light & Love I see your spiritual senses awakening ~

resensitized~ You are alive in the Presence of my Life,

Light & Love. I am fully present...

fully available to you on every level ~ to the deepest

degree ~ emotionally, physically, mentally, spiritually~

You're in the Presence of my Life, Light & Love ~ my

Healing love.

Yes, I can see! Yes, I can feel the Presence of Your Love. You hem me in behind & before in the Presence of Your Love. Oh, to feel the Power of Your healing presence as I reach out to touch Your Hem ~ I'm mended in the Hem of Your Healing Garment ~ mended, made whole, Healed in the Presence of Your Love. Internally, Eternally, It's these Healing & Holy moments of Your love that \_\_\_\_\_

O Your Crimson blood that flows...You wash, You make me whole in the Presence of Your Love. My eyes have seen, my ears burn with the Holy Flame of Your love, awakening my spiritual senses to taste the Presence of

Heaven ~ to be mended and hemmed in the cascades of Your glory as it fills the temple ~ the Holy of Holies where Your Presence dwells . Be still. Yes, I am stilled because my spiritual senses are entranced, awestruck by Your love for me. This is Peace. This is Hope. This is Healing in the Presence of Your love.

and if this isn't a beautiful visual representation of what His healing love = transformation feels like in my heart ~ New beginnings ~ beautiful Butterflies of Healing Promise!! His Healing Love Notes ♪ leap & fly off the pages of His Loving & Living Word into my heart all the time!

Walking in His Word HE spoke created walking in His presence

Beautiful, sis! She made a connection with JESUS & her FAITH ignited Drew from His healing strength all in one moment she was healed all in one touch ! He will NOT PASS YOU BY NO MATTER HOW MANY OTHERS ARE CALLING ON HIM ! Please remember that both of you! He will NOT PASS YOU BY! I keep hearing that! Also, don't u think He already knew she would be there even from the time He woke that morning He made His way to be close to her so that when she made herself close to Him He would be near to her so that she could reach out! Now, we are inseparable from His Presence unable to be separated So, being close to Him comes from remembering He is already near / close to you - within you- reaching out and touching Him is partly our focus on remembering His healing power is already inside of you. You are not separated from His love or His healing power. Nothing can separate you - no diagnosis, no report, no sickness or

Disease. He is with you internally and has taken residence within you. He is no longer passing through So He can't pass you by ! He is internally eternally present with you ! Simply visualize His healing power passing / flowing through you awakening every organ and vessel, muscle and every part of you with His healing power!

WOW!! i know He spoke all through you saying all that....never heard that put in those words before and it just dinged in my heart again...not my head, but my heart whew...how many times am i gonna say that tonight! So beautiful said and sounded just like Jesus speaking!!

You should just go ahead and use all that as your lyrics in a song...I need a healing song just like that, talking more abt physical healing and all that you said....Like title: INTERNAL~~ETERNALLY!!!!!!!

i LOVED this part you said at the end (i copied it) within you- reaching out and touching Him is partly our focus on remembering His healing power is already inside of you. You are not separated from His love or His healing power. Nothing can separate you - no diagnosis, no report, no sickness or Disease. He is with you internally and has taken residence within you. He is no longer passing through So He can't pass you by ! He internally eternally present with you ! Simply visualize His healing power passing / flowing through you awakening every organ and vessel, muscle and every part of you with His healing power!

Capture the FINISHED WORK HEALING VISION ! It has your name written all over it with Jesus healing name signed in Red !! Paid in full!!

She drew CLOSE to Him & by FAITH she was HEALED in one touch ! His power IGNITED HEALING to flow through her VEINS!!!!!! imagine the SURGE through her veins as HIS HEALING POWER RAPIDLY FLOWED THROUGHOUT HER BODY ~ being carried through her VEINS !!!!!!!!!!!!!!! Whew!!!!!!!!!!!!!!!!!!!!!! All because SHE BELIEVED ~ had FAITH to TRUST in her FAITHFUL & TRUE !

That first moment that you KNOW you are LOVED FOREVER ~ that NOTHING can ever SEPARATE YOU from my LOVE....THAT is the MOMENT of ALL MOMENTS that everything changes internally, externally and eternally in your experience of my love. That is the beginning of knowing that my love will never, ever end...it's endless...this is my LOVE REALITY...This is Your BeLOVED Reality... You will

live in internally, externally and eternally forever and ever.

I live & breathe the LOVED LIFE because your LOVE is in me! The Presence of Your Love...Your life, Your Light and Love is living in me!!!!!!

Oh to feel the power of Your healing presence...the power of your healing love as I reach out to touch Your hem...I'm MENDED in the HEM of Your garment... Mended and made WHOLE...Healed in the Presence of Your Love! Internally, Externally and Eternally...it's in these Holy Healing moments of Your Healing Love. O, Your Crimson Blood that flows you wash ...You make me whole in the Presence of Your Love (Godsong, Wholeheartedly Yours...)

*My eyes have seen, my ears burn with the Holy Flame of Your love awakening my spiritual senses to taste the Presence of Heaven...the taste of the Bread of Heaven... to be mended and hemmed in the cascades of Your glory as it fills the temple....the Holy of Holies where Your Presence dwells ...Be Still...Yes, I am still because my spiritual senses/ lenses are entranced ...awestruck...by Your Love for me*

*This is Peace...this is hope...this is HEALING in the Presence of Your Love*

AS I SPEAK OVER YOU...I am creating a NEW THING ...let my Heavenly Love Language voice a new name...and a new song and Heaven's healing over you as I create in the Presence of my Love...My Heavenly Love language I speak over you. Be still in the Presence of my Love

My spiritual senses are alive in Your Love I can see, I can feel, I can hear, I can taste and sense the fragrance of You...in the Presence of Your Love

You hem me in behind and before in the Presence of Your Love
